Advisor:
Milagros Ponce De Leon

Notes:

Venue:
The Playhouse
Address:
116 Theatre Building, University Park

General Notes

- Walls (W1-W3) are fragmented walls that will be suspended from linesets. Panels will be attached together and will be reinforced on either end of the wall to the deck by 1"x1" box steel.

Backdrop and portals will be made from a specific material (see attached draftings and elevations for more information). Masking and borders are stock black masking.

Porch, Stairs, Platform, and Backstairs are anchored to the ground. See attached plates for build information.

The deck will be masonite, will be painted. The floor pieces will be cut out of masonite and attached on top of deck. The floor will be raised 1/4" above the deck.

Key

- 1. Walls - W1 (Left), W2 (Center), W3 (Right)
- Porch - P
- Platform - PL
- Stairs - S
- Back Stairs - BS
- Deck - D
- Floor - F
- Backdrop - BD
- Masking - M1, M2
- Portals - PO1, PO2
- Borders - B1, B2

Scale: 1/4" = 1'-0"

General Notes

- Walls (W1, W2, W3) will be suspended from the linesets at the given positions stated above. The wall pieces will need to be made from a lightweight material. They are meant to be hard pieces and should not sway. No actors will be touching the walls including W3 that has a staircase alongside of it.

The door will be attached to the deck instead of being attached to the center wall.

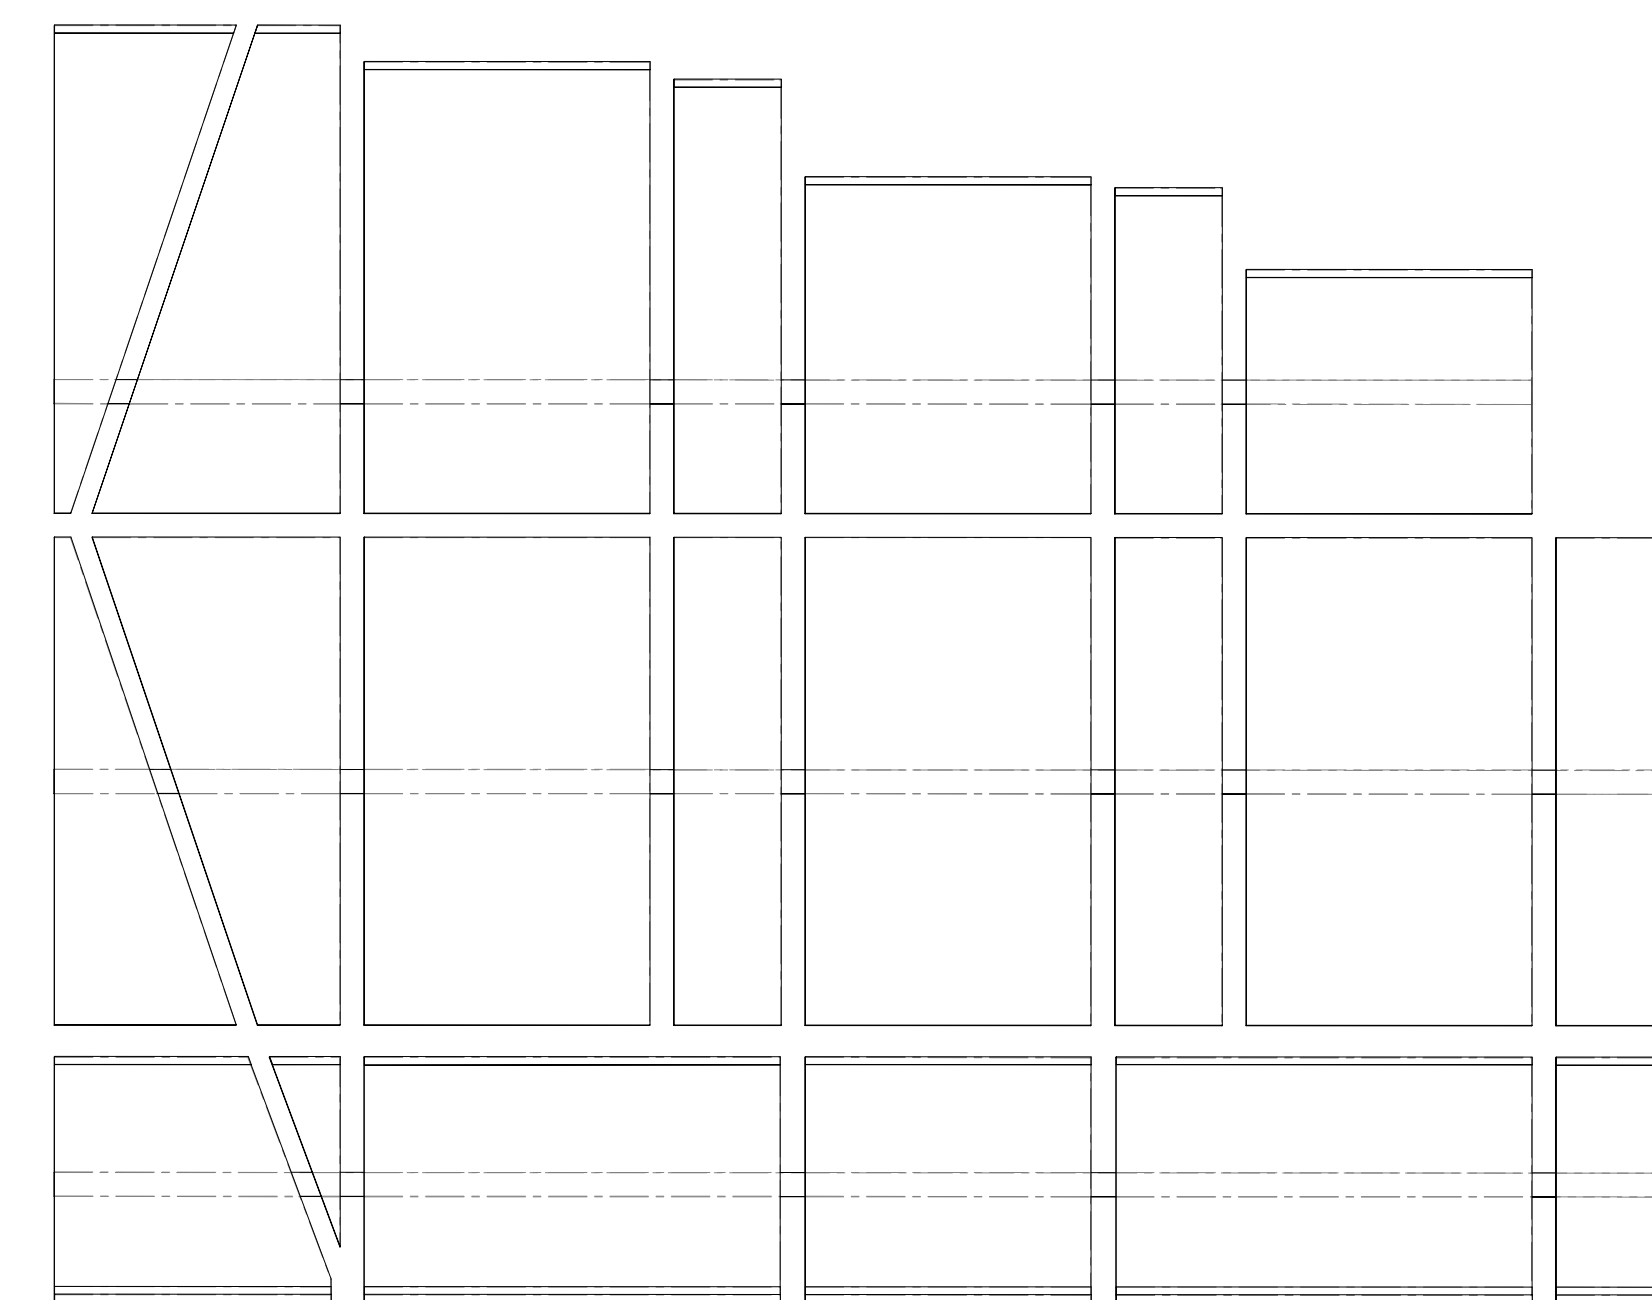

Please see separate plates for each wall for more details.

8 Left Wall
Scale: 1/2" = 1'-0"

9 Center Wall
Scale: 1/2" = 1'-0"

10 Right Wall
Scale: 1/2" = 1'-0"
